10 YEAR
ANNIVERSARY

A MESSAGE FROM THE PRESIDENT

It is our great pleasure to host the 2022 Northern Territory Conference (NTIC) at the Darwin Convention Centre. With the unprecedented events of the last 18 months causing us to postpone the event twice, we are excited to confirm the new dates from 27-29 April 2022.

This year is even more special, as it marks the 10th anniversary of the conference. Today, ten years on, the Northern Territory Insurance Conference is a well-oiled event - with over 40 corporate sponsors, nightly networking functions including the Gala Dinner and awards program, as well as a dedicated app, structured communication and social media program.

In 2017 the Young Insurance Professionals Northern Territory (YIPs NT) began managing the conference and continued the commitment to expand and improve the event year on year. We are excited to come back in 2022 even stronger with an event truly worthy of the 10-year milestone it represents.

The 2022 theme is 'The Outback', celebrating the community spirit and 'roll up your sleeve' attitude that makes the Territory one of the most unique places to live and work.

With the last 18 months presenting rolling challenges for Australia with crippling drought, followed by widespread bushfires and then COVID-19, we thought it apt to celebrate the strength and resilience at the heart of The Outback, that enables rejuvenation and renewal.

And importantly as always, the conference will continue to provide industry professionals practicing in the Northern Territory the opportunity to contribute to the sustainability of the insurance sector, as well as undertake professional development at the highest-level, right here in Darwin.

Featuring key opportunities to attract aspiring professionals to the industry and increased personal development for existing professionals, delegates and sponsors have the ability to connect with some of the nations most renowned speakers in the fields of general insurance and personal injury management.

This not for profit industry event would not be possible without the support of the industry and we invite you to join us in sponsoring this key event.

YOUNG
INSURANCE
PROFESSIONALS

The Young Insurance Professionals is a non-profit organisation.

Our main goal is to assist our young insurance professionals throughout Australia and New Zealand with their careers in insurance by providing a platform for them to develop their business relationships through educational and networking events.

The NT Insurance Conference is a major commitment by many across the Industry. We as a committee are excited to be the organisers of the Conference this year. It is a fantastic initiative which brings together brokers, insurers, service providers, personal injury management and return to health companies, throughout the NT to share in knowledge and experience, to network and build strong business relationships and foster positive change in our industry.
