# A MESSAGE FROM THE PRESIDENT

IT IS OUR GREAT PLEASURE TO INVITE YOU TO THE **2026 NORTHERN TERRITORY INSURANCE CONFERENCE**, TO BE HELD FROM **30 SEPTEMBER TO 2 OCTOBER 2026** AT THE DARWIN CONVENTION CENTRE.

Each year, our conference brings together industry professionals to explore the challenges and opportunities shaping the future of insurance. In 2026, our focus is clear.

Our theme - "Capability, Collaboration, Conviction" - reflects the qualities required to succeed in an environment increasingly driven by data, automation and artificial intelligence.

Technology is transforming the way we work, delivering speed, efficiency, and insight. However, technology alone does not create outcomes.

## **Technology drives speed. People deliver results.**

Inspired by the precision of a Formula 1 pit crew, this year's conference highlights the importance of expert teams working in sync - combining skill, communication, and trust to perform under pressure.

Across the program, we will explore how capability is built through expertise, collaboration enables seamless performance and conviction drives confident decision-making when it matters most. The human element.

The NT Insurance Conference remains a valuable opportunity to connect, learn and strengthen our industry here in the Northern Territory. As a not-for-profit event, it is made possible through the ongoing support of our sponsors and industry partners.

I look forward to welcoming you to all to the 2026 NT Insurance Conference, and for many, to Darwin.

## THE YOUNG INSURANCE PROFESSIONALS IS A NON-PROFIT ORGANISATION.

Our main goal is to assist our young insurance professionals throughout Australia and New Zealand with their careers in insurance by providing a platform for them to develop their business relationships through educational and networking events.

The NT Insurance Conference is a major commitment by many across the Industry. We as a committee are excited to be the organisers of the Conference this year. It is a fantastic initiative which brings together brokers, insurers, service providers, personal injury management and return to health companies, throughout the NT to share in knowledge and experience, to network and build strong business relationships and foster positive change in our industry.
